Veto Items: Outside Sections

<p>Extension of Repayment Terms for Newton Loan</p> <p>Section 34</p> <p>I am vetoing this section because postponing repayment of this loan once the city has received a settlement in its full amount is poor fiscal policy.</p>
<p>GIC Coverage for Legally Separated Spouse</p> <p>Section 73</p> <p>I am vetoing this section because it circumvents statutory and case law to provide GIC health insurance to an ineligible individual.</p>
